Deadline is 10th March for submitting an application!

Miss Clyde Ferguson Bull (a French major in the Class of 1926) endowed a fund that provides a fellowship for a student to study in France with a program approved by the Department of French Studies.

You may now apply for a fellowship for summer 2020. The fellowship provides $6000. The department may offer a fellowship to several qualified candidates.

Eligibility:
1. Have completed at least one 300-level course before leaving for France.
2. Have a GPA in French of at least 3.00 and also an overall GPA of at least 3.00.
3. Enroll in a program in France approved by the French Studies program.
4. Commit to taking at least two French courses at the 300 level or above after returning from France.

The application forms for this fellowship are available on-line (see the department webpage) or in the office of the Department of French Studies (RH 207) and should be submitted to the departmental office no later than 10th March. (Note: the form is different from the Bull Fellowship form for a semester’s or year’s support.) There is no penalty for early submission!

The deadline for application for most summer study abroad programs in France is normally 1st or 15th April.

The candidates will be interviewed in French soon after the deadline. If you have any questions concerning this fellowship, please contact Professor Philip Wood (prw@rice.edu).
