

Interested in environmental and climate justice? Want to learn how you can get involved? **Environmental Storytelling Summer Program**

- **FREE!!!**
- Overnight five-day summer intensive on Rice University's campus from June 17th-June 21st
- Experience life on a college campus – stay in dorms, meet students, work with college professors
- Unique program focusing on environmental and climate justice storytelling that addresses science, policy, and activism
- Meet other students interested in the environment
- Students will participate in daily workshops, go on field-trips around Houston, and meet community leaders and field experts
- Open to any students in HISD schools
- Co-hosted by Rice University's Center for Environmental Studies and the Houston Climate Justice Museum
